Average Daily Population: The average number of inmates in the jail for the month. Counts each day a person was in the Jail and includes all people booked into the jail.

Monthly Transports: "Jail Overcrowding" represents transports related to jail overcrowding which would include the transport to and from the other facility, transports for court if they are a pre-sentenced inmate, and any other transport which may be necessary.

DOC: 1) Sentenced: Represents the number of inmates transported to the Department of Corrections because they were sentenced to prison for a period of time.

2) Parole: Represents the number of inmates transported to the Department of Corrections because they were arrested on a new charge, on parole and returned to DOC to face their parole violation.

EHM: The numbers reflect only adults on Electronic Home Monitoring for the month. Juveniles would not be housed in the County Jail.
